><br>I love to love you

>I love to love you<br>

>\*\*\*<br>

>Why is this song stuck in my head here with you in this place and time. I know nothing's going to happen. <br>We could possibly die in 5 seconds but you won't let that happen. Why can't you see, see me. I'm really not

>as strong as I seem. <br>

>\*\*\*<br>

>Some boys are full of noise, but boy, you caught my ear<br>

>\*\*\*<br>

>I sit next to you winshin' I was closer. Not a word between us, cause there is nothing to say. Well, nothing <br>you can admit to. I could, possibly, if only you knew my affection for you.

><br>\*\*\*

><br>Want to see if you got something to say

>No lies or alibis the nonsense stops here<br>

>\*\*\*<br>

>Why are you so blind, I guess you're just confused, not nearly as confused as me. I wish I could say I want <br>to make you happy but I won't come out alive, you can't die no matter how hard you try.

><br>\*\*\*

><br>Be my friend or you can be on your way

>Play it smart boy if you really wanna reach me<br>  
 >\*\*\*<br>  
 >I hear several screams and, like the innocent I am, grab your arm. I swear I felt your tight muscles soften <br>with my touch, probably just my imagination but I swear to myself I'm gonna get a reaction before I  
 >disappear.or you do..<br>  
 >\*\*\*<br>  
 >Touch my heart boy cause that's how to please me<br>  
 >\*\*\*<br>  
 >"Re." you start to say something , boy please continue. I wish I knew what you were gonna say. I move to <br>the floor beside you pulling my knees up to my chest and closing my eyes, my head tilted back. I feel  
 >someone's body heat close to me. Very close..<br>  
 >\*\*\*<br>  
 >What you want I can be <br>I'm the girl of your fantasy  
 ><br>\*\*\*  
 ><br>I feel your lips to mine. My eyes flicker open, startled. This is a dream I think, going along, returning your  
 >kiss. I run my fingers through your hair, and feel your lips move down my neck, sucking gently. I try to <br>wake myself up, thinking I might be talking in my sleep, but I'm unable to. I realize it's not a dream.  
 ><br>\*\*\*  
 ><br>As long as you love me what you want I can do  
 ><br>\*\*\*  
 ><br>I run my hands softly down your back as yours go up my shirt. I'd normally try to fight, but it's you. You  
 >unbuckle my bra, your cold fingers running up my spine. My heart is pounding with.what? Love? <br>Anticipation? Or the feel of your body against mine?  
 ><br>\*\*\*  
 ><br>All I ask of you is baby love me  
 ><br>\*\*\*  
 ><br>I slide unerneath you slightly crushing your fingers. I stare into your eyes, not as cold and univiting as  
 >normal, maybe even a hint of this passion is showing. I smile as you look at me, wondering at my stares. <br>  
 >\*\*\*<br>  
 >Some boys want pretty toys but I'm so much more<br> Can't you see I'm a girl you can trust?  
 >Get real with what you feel<br>  
 >\*\*\*<br>  
 >I mouth the lines to the song that have been running through my head as you run your hands down my <br>chest. I am speechless as this happens for once.A large boom sounds.  
 ><br>\*\*\*  
 ><br>Or I'm out the door is it love?  
 >Or is it only a crush<br>Listen up boy stop talking smack now
